4-H BOER GOAT EXHIBIT

TERMS AND CONDITIONS

1. Animals entered in the Indiana State Fair must be owned and cared for by the 4-H member by May 15th and remain under the same continuous ownership until show day at the Indiana State Fair. 4-H animals purchased, sold or offered for sale after the enrollment deadline and prior to the Indiana State Fair (**including animals that have gone through a "Premium Only Auction"**) shall not be eligible to show in the 4-H show at the Indiana State Fair.
2. All meat goat wethers must be individually identified by a noseprint or retinal scan and an ear tag or tattoo under the supervision of the county 4-H committee by May 15th.
3. All Boer goats (including wethers) entered in the Indiana State Fair, must have been enrolled in the exhibitor's county on an official state 4-H goat enrollment form by May 15th. Boer goats and meat goat wethers may be co-enrolled by brothers and sisters, but they must be enrolled on separate forms.
4. A registration certificate is required for all Boer goats (except wethers) who are three (3) months-of-age or older. Kids born after May 15th must be from a dam who was enrolled by May 15th.
5. A stamped duplicate or faxed duplicate application showing the date received by a registry office is required on all animals under three (3) months of age.
6. No copies of a registration certificate or stamped duplicate of official registration will be accepted by the show officials.
7. Each 4-H member's goat enrollment form must contain the registration number (or the dam's registration number) for each Boer goat (excluding wethers) they are enrolling in the 4-H program. This number must match the corresponding number on the animal's registration paper during check-in at the Indiana State Fair in order for the animal to be eligible for the 4-H Boer goat show.
8. The documents specified above as the requirements for an animal of a given age to be shown must be presented to the show secretary before judging begins and must be checked by the show secretary for verification of registration information.

9. Proof of ownership shall be the name on the registration certificate. All animals must be entered on the official Indiana State Fair entry form in the name of the registered owner.
10. All Boer goats (except for wethers) **MUST** have a readable ear tattoo identical to the one recorded on their registration certificate. Only one (1) number sequence per ear will be permitted. During check-in at the Indiana State Fair, any animal which does not have a legible tattoo corresponding to its registration certificate is ineligible to show in the 4-H Boer Goat Show. Once disqualified from the 4-H Boer Goat Show due to an incorrect or illegible tattoo, animals can not be re-tattooed and re-checked at the show. Likewise, new registration papers being sent by a breed association will not change the status of the disqualified animal.
11. Substitute showmen must be approved in writing by the 4-H show manager 12 hours prior to the showing of the animal(s) needing a substitute showman. Requests will only be granted for medical emergencies, conflicts with showing other animals, or desperate circumstances deemed unavoidable by the 4-H show manager. Failure to be excused from a job and/or participation in a sporting event or sports practice will not result in a substitute showman being granted.
12. Once a class is in the ring and judging has started, entries may not be added or withdrawn without permission from the show officials. The class shall not be reopened after reasons have begun.
13. In single entry classes, the judge shall determine the appropriate award according to the merit of the animal.
14. Each 4-H'er must post mark **(no metered mail)** the State Fair entry form with a \$15 fee per project (ie. \$15 for Boer Goats (1 project), \$15 for Dairy Goats (1 project), etc.) to the State Fair Entry Dept., 1202 E. 38th St., Indianapolis, IN 46205-2869 by July 1.
